Scoring will be in line with NRA and IPSC handbooks, you will require a minimum of 120 rds of ammunition. Targets will be from 2m to 35m and be a mixture of paper and steels. Competitors are required to assist with resetting/patching, failure to do so may incur procedural penalties or disqualification.

Safety catch - your pistol must be fitted with an operational manual safety catch unless shooting in production or revolver.

Holster test - if your equipment fails the retention test you will start from the Tyro position where a holstered start is required. Shoulder and cross draw holsters are prohibited. The Match Director will be the final arbiter as to whether any holster or firearm may be used.

Tyro starts - persons not using a holster will be allowed to start in the Tyro position but will be subject to 1 procedural penalty per occurrence.

Standard and production guns required to fit IPSC Standard box (with allowance for extensions and barrels).

Sign in and collect scorecards from the NRA Competition Reception and report for safety briefing on Butt Zero Sunday 29 October at the time on your squadding notice. The match is limited to 45 competitors.

The match can be shot without a Shooter Certification Card, with one-to-one supervision by an NRA Certified RCO. Please advise in advance (via email to mark.haigh@nra.org.uk) if this is the case.
