

	<p>nominated as RO for 2 or more shooters is not permitted to shoot or supervise an individual.</p> <p>c. Ensure the safe conduct of firing in accordance with range regulations and the discipline specific firearm drills.</p> <p>d. Ensure safe handling of firearms on the firing point at all times.</p> <p>e. Prove firearms clear before the firer leaves the firing point.</p> <p>f. Report all breaches of Regulations and all Range Incidents/Accidents to the Range Office immediately</p> <p>g. If an Incident occurs cease all firing under his control, ensure the situation is safe, isolate the persons and equipment involved, inform the Range Office and await further instruction</p> <p>h. If a range incident constitutes an accident within which an injury has occurred stop all firing under his control, ensure the situation is safe (which may involve calling an emergency stop), give immediate first aid, summon assistance through the Range Office and carry out any direction given, do not handle or permit to be handled any items involved other than the minimum essential to make the situation safe and to give first aid.</p> <p>i. Ensure an NRA armourer is requested to attend firearm or ammunition incidents or accidents.</p> <p>j. If RO duties are handed over, that is recorded and conducted formally with time and names of individuals detailed within the record.</p> <p>2. All movement on the range is controlled and coordinated by the NRA Range Control. The RO is to seek clearance prior to any movement on the range, including falling back.</p> <p>3. The ROs responsibility and authority extend to the safety and supervision of any person involved in the shooting activity. The RO is to exercise his authority over NRA staff, including target markers, through the Range Office. The RO is responsible for the training, competence and supervision of any person, other than NRA staff, employed (whether for payment or otherwise) to work in the butts on target lanes under his control. The individual/club/group are liable for any damage caused by personnel employed privately to work in the butts.</p> <p>4. The RO is to ensure that persons under his control are fully covered by insurance, including third party public liability cover.</p>
<b>PROCEDURES AFTER FIRING</b>	
<b>Clear-up and handover range</b>	<p>1. Ensure that all firearms are clear prior to allowing them to be removed from the firing point.</p>

	<ol style="list-style-type: none"><li>2. Ensure that the range is left in a clean, tidy condition; this means the removal of all rubbish and other debris.</li><li>3. Ensure that shooters depart the range in a safe manner and direction.</li><li>4. The range must be cleared of all live rounds and empty cases. Remove targets from the frames and stack neatly back under the mantlet or at the rear of the firing point as appropriate.</li><li>5. Sign off the range at the Range Office certifying that all actions required by the Range Regulations are complete.</li><li>6. Complete and submit written reports for all incident/accidents.</li></ol>
