Safeguarding training is available for all roles. For more information on safeguarding training, see

<https://thecpsu.org.uk/training-events/choose-the-right-training/>

The basic safeguarding training is the Safeguarding and Protecting Children course, run by sportscoach UK. Click on this link for information: <http://www.sportscoachuk.org/site-tools/workshops/about-ourworkshops/safeguarding-and-protecting-children>

For those with safeguarding roles, such as shooting grounds/clubs/coaches/team managers, etc, there is also the Time To Listen training, developed by the CPSU and delivered by County Sports Partnerships. Attached is a list supplied by the CPSU of County Sports Partnerships who run Time to Listen Courses. You need to have completed the Safeguarding and Protecting Children training prior to the Time to Listen course.
