Arrival and Reception.

9. A traffic system will be in place preventing vehicles from transiting or parking outside of the range office. If you are arriving at Bisley by car and require ammunition or to draw your firearm please follow the route indicated below to the parking area at the rear of the range office, noting that the road outside of the range office is closed.

10. After parking your car please move to the Armoury area by the route below:

Firearms and Ammunition Purchase

11. NRA firearms will not be available for hire during this period.
12. If you wish to withdraw personal firearms from the armoury you must provide at least 24 hours notice.
13. The handling of personal FACs has been minimised therefore:
 - a. Ammunition for use on the day may be purchased under your membership of a Home Office Approved Club but it must be fired on the day; any remaining ammunition will not be added to personal storage.
 - b. If you wish to purchase a larger amount of ammunition or for a FAC entry please call the armoury to discuss the timing and procedure beforehand.

On the Ranges

16. NSC staff will prepare the ranges as normal target controllers prior to issue. Shooters should:
 - Follow the signs to the ranges.
 - Target Controllers and a personal radios will be issued to the RO in a zip lock bag on the range.
 - The RO will control movement onto and off of the firing point.
 - Probationary training and coaching are not permitted.
 - At the allocated time move forward to the firing point with all of your equipment. Once on the firing point you may unbox/unsleeve your firearm.
 - Any problems should be identified to the RO who will notify range control via personal radio or telephone.
 - *Shooters should not share personal equipment.*
 - *In the event of a fault on the target equipment the RO should report the fault to range control who will summon assistance. Please ensure shooters unload, fit breech flag and move away from the equipment whilst it is repaired/adjusted.*
 - *In the event of a firearm fault/malfunction the firearm is to be made as safe as possible laid flat pointing at the target and request the armourer. The firearm is not to be left on a bipod.*
 - *In the event of an injury please inform the range office who will summon assistance. NSC staff will respond as normal and assess the situation. Follow up action will depend on the severity of the situation. Minor bumps, scrapes and cuts will be self-help, sterile dressings may be provided by the NSC.*

End of Session

17. At the end of your allocated time the RO should inform the range office and collect all personal equipment:

Once clear of the firing point:

- *Wipe down equipment that is to be returned to the NSC armoury with the cleaning equipment provided.*

NSC staff will visit the range and collect the target controller and personal radio

Remaining ammunition that has been purchased under Home Office Approved Club membership cannot be entered onto FACs and placed in storage. A container will be provided where ammunition may be disposed of.
