

**LICENCE, OPERATIVE AND DAILY FACILITY FEES FOR ALL NON-MOD USERS OF DEFENCE TRAINING ESTATE**

**LICENCE FEE**

The licence fee has been increased to £210 (£150 + VAT, + £30 Insurance Presmium) to comply with current DIO Policy. This will be renewed annually, and will present an opportunity to check insurances, affiliations, range safety practices, memberships etc. All safety details must be approved by the RAU Commander or his nominated representative.

**TRAINING AREA OPERATIVE FEES**

A minimum of 3 hours will be charged if operatives are asked to work on a non-working day plus travelling time that is incurred. This will be charged to the users of the facility (proportionally if necessary).

	Core Hours	Out of Hours Mon – Fri	Weekends and Bank Holidays
Range Operative Rate per hour ex VAT	£32.68	£48.44	£64.37

Additionally, a maximum of 1/2 hr before and 1/2 hr after may be charged to open and close a facility.

If an Operative covers several clubs at one booking, then the time charges will be split proportionally between the clubs with a minimum charge of 1 hour per club.

If an Operative is also covering a military training unit for a concurrent booking, a fixed two-hour charge will be made to the club whether a half or full day is consumed. If multiple clubs are using the facility they will be charged a minimum of 1 hour per club. If the military leave the facility, the club(s) will then pay the full rate for the Operatives remaining time where the byelaws permit shooting to continue.

If multiple Operatives are required by Range Orders or are required necessary for security, safety, protection of SSSI, or any other reason, then the User must pay for all Operatives providing cover.
