Please note, the league table shows scores as rounded to 2 decimal places but the underlying system holds the full correct scores.

Therefore the total for a competitor may appear to be 0.01 higher or lower than the apparent total of their top 10 scores:

Please note, the league table shows scores as rounded to 2 decimal places but the underlying system holds the full correct scores.

Therefore the total for a competitor may appear to be 0.01 higher or lower than the apparent total of their top 10 scores:
