

GREAT BRITAIN RIFLE TEAM

SOUTH AFRICA 2023

I am delighted to announce the names of those selected for the GB Rifle Team to South Africa, touring in March 2023.

Around 100 people applied for the Palma squad in 2020, with about 50 individuals going through two years of training and selection (Phase 1). I am very grateful for the interest and support shown by those I was not able to select for this tour and wish them well in seeking selection to Great Britain Rifle Teams in the future.
