

THE MACKINNON MATCH

FOREWORD

This is the latest version of the Mackinnon Match records compiled by Colin Cheshire and now updated by Karen Robertson.

Once again we are most grateful to many people for their kindness, help and persistence in trying to track down elusive records and helping to check and correct these records. Their names are listed on the next page.

In these records generally the first named coach is the Main Coach.

We would welcome any corrections, amendments or additions and would ask that all shooters ensure that their initials are correctly filled in on all international team registers. If you haven't checked then we can only print what is shown.

We are also seeking any photographs of Mackinnon teams from all competing countries for a future large photographic section on this website. If you have photographs of your teams that you are happy to have published on the website please send them to Karen Robertson either by e-mail to karen@bang.eclipse.co.uk or by post to Karen Robertson c/o National Rifle Association, Bisley Camp, Brookwood, Woking, Surrey, GU24 0PB. Please include the year that the photograph was taken.

If you should notice any errors or omissions (including any formatting or spelling errors) please contact Karen Robertson at karen@bang.eclipse.co.uk. Updated files will be uploaded to the website regularly.

Thank you
