

# THE MACKINNON MATCH

## FOREWORD

This is the latest version of the Mackinnon Match records compiled by Colin Cheshire and now updated by Karen Robertson.

Once again we are most grateful to many people for their kindness, help and persistence in trying to track down elusive records and helping to check and correct these records. Their names are listed on the next page.

Under Coaches the first named is generally the Main Coach. In later years this has been annotated (Main) where known.

Ranks of the Volunteers changed at remarkable speed so it possible that one person could have had different ranks in each of say five years both up and down! In the Rolls for each country, for older records the rank shown is the **highest** achieved by that person and may not reflect the last rank attained whilst shooting or for that matter the rank they may have retired with. More recent records may show the highest rank or the last rank of the team member in the last match they competed in as it is possible to ask them what they would prefer.

We would welcome any corrections, amendments or additions and would ask that all shooters ensure that their initials are correctly filled in on all international team registers. If you haven't checked then we can only print what is shown.

We are also seeking any photographs of Mackinnon teams from all competing countries for a future large photographic section on this website. If you have photographs of your teams that you are happy to have published on the website please send them to Karen Robertson either by e-mail to [karen@banglogos.co.uk](mailto:karen@banglogos.co.uk) or by post to Karen Robertson c/o National Rifle Association, Bisley Camp, Brookwood, Woking, Surrey, GU24 0PB. Please include the year that the photograph was taken.

If you should notice any errors or omissions (including any formatting or spelling errors) please contact Karen Robertson at [karen@banglogos.co.uk](mailto:karen@banglogos.co.uk). Updated files will be uploaded to the website regularly.

Thank you
