Muzzle loading Rifle & Pistol			
Long Range Pistol			
Classic Rifle and Pistol			
Service Rifle			
F-Class Rifle			
Other - Please list			

Are you a member of another club? (If so please list)

NOTES:

Bookings: Please phone to book using any of the extensions below although we hope to have an on-line facility sometime soon!

Firing points are booked for a maximum of 6 shooters; up to 3 shooters can be on the mat at any one time taking alternate shots. A full Gallery Bay is usually booked. If not enough bookings are received there may be cancellations. We have to give the Range Office 3 clear days' notice to avoid a cancellation charge; we will endeavour to give you the same lead time if we have to cancel a shoot.

Butt Marking: Butt Markers cannot always be guaranteed - see standing NRA Range Regulations - you may be asked to take a turn in the butts, this doesn't happen often but it will give you a valuable insight into life at the other end!

The NRA is a Home Office Approved club and any shoot booked as an NRA member either with the NRA SC or as an individual member booking can be recorded on your records as an official club shoot.

You may also be asked occasionally, to supervise a probationary member – they will have passed their course but are 'waiting out' their 3 months.
