

THE PHOENIX MEETING 2018: 25 – 27 May

UK Club Team Entry Form: T&P1 & M-T Aggregate - GRCF

This match is the same in format as the International Team matches which are only open to accredited national teams. It is the aggregate of the Timed and Precision One and Multi-Target events.

- Team events are open to teams of shooters who all belong to the same UK club (the club declared on their individual entry forms). *See notes on team eligibility below.*
- The scores in the two events for the five members of the teams are aggregated and the lowest score is dropped.
- The team entry must be made and team members declared before the first member of the team shoots any event.
- Each shooter must enter the appropriate individual events; the scores will carry forward to contribute to the overall team score.
- The team events are all shot concurrently with the individual events (the events are not shot separately for team scores).
- Each member of the team can shoot at any time during the meeting.
- Prizes: 1st Prize NRA Gold medals; 2nd Prize NRA Silver medals if the number of entries exceeds 5; 3rd Prize NRA Bronze medals if the number of entries exceeds 8
- If you wish to enter more than one team, please copy the form and use one for each team.

Notes on Team Eligibility

The intention is to encourage **local clubs** around the country, whose members shoot together on a regular basis, to compete against members of similar clubs who they might not normally meet in competition. 'Scratch' teams with members from different clubs are specifically not permitted.

If you are in any doubt regarding eligibility of the club, please email shooting@nra.org.uk
