CLOSING TIMES FOR ENTRIES

Entries for all competitions listed overleaf (except for the FW Jones which will close at noon on First Sunday and the Parting Shot, which will close at noon on Second Friday) will close at noon two days before the events are due to be shot (eg entries for the Astor, which is fired on First Friday, close at 12:00 noon on First Wednesday).

Late entries can only be accepted in exceptional circumstances. In this event markers may not be available and teams entering late must be prepared to provide their own. No refund will be made if this is the case.

No entry will be deemed confirmed until full payment of the entrance fee and any necessary affiliation fees have been received. Acknowledgement of the entry form will be sent when an email address is provided, however, please retain a copy of the form as confirmation of the events entered.

ADDRESS FOR ENTRIES

All entries must either be brought in person to the NRA Office or sent to the NRA at the following address by no later than the dates/times specified above.

MARKERS AND SPECIAL DUTIES

Markers will be provided for all squadded team matches shown overleaf. The fee for the provision of butt markers is incorporated in the entry fees shown.

Teams may be required to provide Range Conducting Officers and/or Butts Officers, in which case Special Duty cards will be issued along with the team registers.

SCHOOLS VETERANS MATCHES

The names of each team members must be supplied to the back of the scorecard before shooting commences.

To permit full participation to the Schools Veterans event, including pre-match practice, this event must legally be run as a Guest Day. **Old Boys who hold a Shooter Certification Card and who are either members of the NRA or members of an Old School club that is both Home Office Approved and affiliated to the NRA, may shoot without any additional requirements. All others must be registered as guests via the signing of the register sheet.**

Team captains must enter the name and address of any 'guest shooter' on the back of the team register card and have the guest sign against their name to certify that they are not prohibited from having access to firearms. Team captains will also be required to certify on the team register, that all members of their team either have a Shooter Certification Card, or will be coached on a one-to-one basis by the holder of such a Certificate who is an NRA member.

Individual Tankard: Awarded to the competitor who makes the highest score in the Schools' Veterans.

The completed register ticket must be handed to the Range Officer before the match starts. It must then be completed and signed by the register keeper who keeps the team register and be handed to the Range Officer.
